To Whom It May Concern:

It is my pleasure to write this letter of recommendation for Ms. Karen Capobianco. Ms. Capobianco completed her field experience coursework under my supervision within the Art Education Program at the State University of New York at New Paltz. She demonstrated competency in all areas of her academics. I have been extremely pleased with her instructional performance, professionalism and personal qualities, within her internship work at SUNY New Paltz. Ms. Capobianco consistently demonstrated strong skills in lesson plan development, project planning and implementation. This was seen in her work with our Aesthetic connections outreach Program, a partnership with the Lincoln Center Institute, where Ms. Capobianco created and implemented exceptional lessons. She was proficient in her ability to deliver outstanding visual artwork and concepts, which stimulated and challenged her students.

During the fall 2009 semester, I had the pleasure to be Ms. Capobianco student teaching general supervisor. Ms. Capobianco worked with a wide range of diverse students. She embraced the challenges before her, and designed activities and lessons that were motivating and foundationally strong in content. Her students were engaged in the process of creating meaningful artwork as well as work that exhibited proficiency.

She is dedicated and imaginative. I highly recommend Ms. Karen Capobianco to any art program. She is a devoted artist and Educator who demonstrates professionalism and inspiration.

Sincerely,
